THE SPORTS LAW ASSOCIATION

34th ANNUAL ANZSLA CONFERENCE
21st to 23rd October 2025
Brisbane, Australia

WWW.ANZSLA.COM

It is my great pleasure to welcome you to the 2025 ANZSLA Conference being held in the vibrant city of Brisbane.

This year's conference brings together leading academics, sports lawyers, practitioners, and industry professionals to explore the dynamic and evolving intersection of sport and the law. As the sporting landscape continues to change - from governance and integrity to commercialisation and athlete welfare - there has never been a more critical time to come together, share insights, and shape the future of sports law.

We are honoured to welcome Professor Dr Ulrich Haas from Zurich University as our international keynote speaker who will deliver the Hayden Opie Oration. With a distinguished career and deep expertise in both law and sport, Dr Haas brings invaluable perspective and insight to our discussions.

Across the two days, you will hear from an outstanding line-up of speakers, engage in thought-provoking sessions, and have many opportunities to connect with colleagues from across Australia and beyond at the sensational social and networking functions. Whether you are a returning delegate or joining us for the first time, we're delighted to have you with us.

On behalf of the Organising Committee, thank you for being part of this important event on the sports law calendar. We look forward to a stimulating, collaborative, and inspiring conference experience - and to welcoming you to beautiful Brisbane and all that it has to offer.
